Subject: Human health risk assessment portion of Draft Volume II, HHRA/ERA/RTG for the Island Operable Unit (IOU)

Attachments: HERO\_Memo\_Aerojet\_IOUHHRA\_Final.docx; HERO Memo Draft IOU HHRA.pdf

## All,

Thank you for the opportunity to review the Draft Volume II, Human Health and Ecological Risk Assessments and Risk to Groundwater Evaluation for the Island Operable Unit (IOU). DTSC has completed review of the human health risk assessment portion. Attached are HERO comments on the human health risk assessment portion.

Some of the comments contain recommendations for revisions to the White Paper currently in circulation for agencies review. DTSC may choose to add to those recommendations upon complete review of the draft document that was received on March 3<sup>rd</sup>.

Please let me know if you have any questions.

Steve
